### WHY OSHAssociation SCHORLASHIP?

The Occupational Safety & Health Association (OSHAssociation UK) with ELAK Academy – a health and safety training firm award scholarship opportunity worth over N180 Million naira for 5,000 young graduates nationwide, with Course Fee Reduction of **90%** per candidate.

More than three (3) million work related injuries, accidents and 125,000 workplace related illnesses occur annually in various workplaces. The purpose of the scholarship is to encourage the young graduates/ employees to develop proactive safety culture at workplace, adding value to their CVs and to build safety leadership skills and knowledge that are required in the labour market, therefore producing experts in the field of Environmental Health & Safety as consultants and service providers in the industry, for the purpose of reducing unemployment in the country.

### WHY YOU NEED THIS COURSE

Equipping corps members with skills to **WIN** in the labour market, improve their chances for better job opportunity and ensure that every one participating in this program will intellectually and professionally styled to suit the requirement of various industry/sector and building **INTELLECTUAL CAPITAL** for Self employment as a service provider in any industry.

*ELAK Academy ...going extra mile to train you! ...adding value to your career!  
...exposing you to greater opportunities!*
